

Notice to Building Owner and Occupant(s) of Chemical Irritant Use

(Agency or government unit)

This form serves as notice that a chemical irritant was deployed within building(s) located at:

Locations	Address	Unit	Location (room)	Biological material present (blood, urine, etc.)
1.				
2.				
3.				

Specialized cleanup or treatment of the building may be appropriate.

Locations (see above)	Chemical used	Deployment method	Chemical manufacturer contact information
1.			
2.			
3.			

You may contact

(Law enforcement agency or local government unit that employs the peace officer)

for more information about what was deployed within the building.
