# Certificate of compliance:
# Removal of emergency vehicle insignia

Minnesota law enforcement agencies must complete this form when selling or transferring a vehicle to a member of the public.

The completed certificate is provided to the buyer or transferee and confirms law enforcement equipment and insignia were removed from the vehicle as required by Minnesota Statutes section 169.981.

Buyers or transferees should keep this form for their records.

## Vehicle description

Vehicle identification number (VIN) _____

Model year _____ Make _____ Model _____

Plate number _____ Plate type _____

## Statement of compliance

As the seller of the vehicle described above, I verify that any and all equipment and insignia that could mislead a reasonable person to believe the vehicle is a law enforcement vehicle has been removed prior to the sale of this vehicle.

Equipment and insignia include, but are not limited to:

- Emergency lights
- Sirens
- Amber warning lights
- Grill lights
- Emblems and outlines of emblems

Seller's first, middle and last name _____

Seller's signature _____ Date (MM/DD/YYYY) _____

Law enforcement agency represented _____
