Repossession/Title Application

1. When the repossessing party chooses to title the vehicle in their name, this form also serves as their application for title. If the repossessing party has the Minnesota title in their possession, they do not need to apply for a title in their name. If the repossessing party is a private individual, please include their driver's license number and date of birth.
2. The following fees are due when the repossessing party titles the vehicle in their name: Title, Public Safety Vehicle (PSV), and Filing. If a private party is repossessing this vehicle, MN sales tax is due if the private party was not the previous owner. To determine the amount due, visit dvs.dps.mn.gov and select Fees from the top menu or call (651) 201-7777.
3. A secured party that has the certificate of title but elects not to title the vehicle in their name must complete and submit a dealer purchase receipt (PS2009).
4. All forms and fees may be submitted to your local deputy registrar office or by mail to:
