DISPLAY INFORMATION

Brief description of what will be included in your agency's display:

Will you require an electrical outlet? Yes No

We are asking vendors to bring a new item to donate for a prize again this year. This can be something from promotional item inventory; tumbler mugs, sweatshirts, etc., have all been well-received in the past. Thank you!

EXHIBITOR INFORMATION

- Each organization can request one table. **There is no charge for a table, however, conference registration is required, regardless of plans to attend sessions.**
- Please designate on your application who the contact person is to communicate with/ and about the exhibitor fair.
- Exhibitors can set up their tables on the morning of the event, starting at 7:30 am. It is expected someone will be at the table during the hours the fair is open. Generally speaking, the exhibitor fair is located in a high traffic area, so people are around more often than the posted hours of the fair.
- The table size is eight feet long by 30” wide. Chairs are provided by the facility.
- Vendors are responsible for extension cords, adapters, etc.
- The Exhibitor Fair will be accessible all day. There is no set-up during the opening remarks, plenary/keynote speakers, and teardown is suspended until closing remarks have concluded.
