ABOUT THE DIRECTORY

The Directory of Crime Victim Service Programs in Minnesota lists government and non-profit organizations that serve victims of crime. It is not intended to be an exhaustive list of all victim service programs in the state. The organizations listed receive funding from various sources and may or may not receive funding from the Office of Justice Programs (OJP). Inclusion of an organization in the directory does not imply that OJP endorses its programs or policies while exclusion does not imply that OJP disapproves of its programs or policies.

Please help us keep the directory up to date. Send corrections to: dps.justiceprograms@state.mn.us.
